Relationships- What makes them Tick, or not?

An introductory workshop- Open to all Levels

September 5, 2018 6:30 pm – 9 Pm \$45.00

With Astrologer De Vovchansky

We have many different types of relationships within our lives, not just love! What makes them work, or not work? Explore this with De as you learn to use your personal planetary energies as tools of self-awareness and understanding of the relationships that surround you. What are the female/male or Ying/Yang roles that are used? How do the 4 elements; Fire, Earth, Air and Water affect relationships? Are we missing something within that we seek to express through the other? De's experience as an Astrologer, along with guided discussion and practical application make this an evening not to miss.

Come with a curious mind and a willingness to learn!

De Vovchansky has worked as a consulting Astrologer for over 27 years. A Board Member of the NY Chapter of the NCGR- National Counsel for Geocosmic Research. De works with many psychic modalities as well as works as a Medium. Join her for this wonderful class of knowledge, practice, and new experience for you.
