PROUDLY PRESENTS
**A RADICAL ALIVENESS WORKSHOP-/
GROUNDING IN OUR GIFTS**
WITH JONATHAN GODFREY, CPRA, CCEP

Friday April 20th 7-9:30 and Saturday April 21st 10-5:30

\$135.00 (registration closes April 18th)

What if there was a place within you where you could fully open to your gifts and didn't have to hide them or hold anything back? What if there was a place within you where you could genuinely be yourself, a place where you could take risks, let go and feel and express everything, a place where you could move fearlessly toward all that you really want and say no to what you don't?

Join us for this workshop of the Radical Aliveness process where we will explore what our gifts are, what might have gotten in the way of bringing them forward and then enhancing them in the most authentic and powerful way. This workshop is fun, cathartic, and will help you explore you in a fresh and profound way. Deep individual work balances with dynamic group processing for a workshop of connection, excitement and learning.

****** IMPORTANT NOTES:**

Pre- registration only. Registration closes April 18th. A phone interview with Jonathan is a pre-requisite to make sure that this class is an emotional fit for you.
