What a wonderful opportunity to be able witness a demonstration of Trance Mediumship. At the beginning of this evening, you will be given background information relating to Trance Mediumship. Then we will sit to allow for Richard's demonstration of Trance. During that time there will be a philosophical conversation with one of his spiritual teachers and if permitted, there may be an opportunity to ask questions of his spiritual teacher. Afterwards, if time permits, there will be a Q&A for Richard regarding his ongoing work with Trance Mediumship. This is a very special evening, and we encourage you to join and witness the Trance process through the Mediumship of Richard Schoeller.
